

## LLANMADOC HILL RETRO EVENT

Now we know why we use all that electronic stuff – and waterproof maps!

Apologies about the chaos during the heaviest rain, I hope you all enjoyed the event in some way at least.

Preliminary results are below: We are missing 4 times on the green course, so if you have times that you did yourself, please let us know and we'll add these in.

We'll put the map images onto the website as well, because many of your maps wouldn't have been any good for any review afterwards.

Many thanks to Bridget and Helen for helping.

GREEN – A really good close competition in the top 8
